# Power Tutoring

February 21, 2009

## Learner Registration Form

Choose **four** classes. Write 1 to 4 next to them, 1 for the class you want the most and 4 for your last choice.

### Computer Time

A tutor will help you learn about working on a computer. You can also sign up for free email accounts and learn about software to help you read, learn vocabulary and understand what you read better.

### Learner Advisory Board

Join Washtenaw Literacy's Blair Kraft and find out how you can be a volunteer! We need your help and we want your opinions and advice.

### Improving Your Job Skills

Learn about job skills that are needed in the 21 Century. Receive sample materials to use with your tutor.

### CVs and Resumes

Learn about resumes and CVs. Work with a tutor to write and improve your own.

### Health Care in the U.S.

Improve your basic understanding of the American health care system and medical profession.

### Increase Your Vocabulary

Learn about games and activities you can use alone or in your tutoring to increase your vocabulary.
